There are 2 Braun facilities...one in Bethlehem and one in Allentown. I don't believe the one in Bethlehem has a sterilizer (we checked for Jon Witt).

This Braun fact sheet references the Allentown facility, but then has the Bethlehem address on its letterhead. Perhaps that Bethlehem is the office space? If the Allentown facility is where the control was installed, I recommend we say Allentown.

All,

Please review the attached table showing EPA and state outreach on EtO, which we are preparing for Doug Benevento. The facilities in the table are those identified in the OIG management alert. Please make any edits in RLSO or highlight in yellow. Please send me edits no later than 330 p.m. EDT.

Sorry for the tight turn on this.
